Distinctive Homes of Southwest Florida is the proud designer and builder of the Collier Building Industry Association's "Inspiration Home" at Pelican Marsh. Featuring the most innovative techniques and materials available, the home's lakeside setting also offers a full view down the nearby fairway.

The owner's suite features his-and-hers walk-in closets and vanity facilities complemented with a privacy garden. The owner's suite, like the entire rear of the home and guest suite, features glass walls and doors to take advantage of views to the pool area, lake and golf course. The tiered lanai and pool area includes a fully equipped chickee for entertaining.

Distinctive Homes of Southwest Florida's team members have been successfully involved in the building industry for over 30 years. Principals Russell Budd, Rex Budd and Dick Greenwell are committed to the team approach to and integration of design, craftsmanship and construction management.
