

Wicklows

Nestled between two large lakes and the 13th and 14th holes of the Gary Player-designed Aerie golf course, Wicklow is a picturesque neighborhood of single-family homes, built exclusively by Centex Homes. With five floor plans and a variety of views, Wicklow is the perfect choice for individual style.

Residents in Grand Arbors will enjoy themed green areas and parks marked by beautiful arbors and connected to neighborhoods by miles of recreational trails. And, for more social interaction, Grand Arbors residents will enjoy social membership in The Club at TwinEagles, and are eligible for full golf membership.
