- NOTE:
- This drawing is an artist's conception of a single family residential area. The subdivision may or may not include features as shown on the drawing and may include features and structures which are not shown.
 - All homesites shown on this drawing are subject to deed restrictions. These restrictions are recorded in the Public Records and provide, for example, that plans for all buildings and structures must be approved in writing by Westinghouse Communities of Naples, Inc. prior to construction or alteration.
 - All street right-of-ways are 60 (sixty) feet wide unless otherwise noted. Homesite dimensions, size and shape are approximate. For exact dimensions, zoning restrictions, and the location and effect of easements and reservations, see the recorded plat, the deed restrictions, and check with Westinghouse Communities of Naples, Inc. and the Planned Unit Development (PUD) document.
 - This drawing should not solely be relied upon in any investigation of the property shown herein. A physical inspection of the property is required.
 - This drawing has been prepared based on facts available at the time of printing for the purpose of giving information only on the land shown herein. Westinghouse Communities of Naples, Inc. and its subsidiaries are not responsible for errors and omissions nor for misuse of this drawing and the information contained herein.
 - For specific sales information, contact Pelican Bay Properties, Inc. or a licensed real estate broker.
 - Not drawn to scale. 3/91.
