

Bimini

One of Arthur Rutenberg's most enduring, award-winning designs, the 4-bedroom, 3-bath Bimini is the classic Florida luxury home.

Utilizing a unique L-shaped floorplan, all major living areas — including master suite bedroom — open directly to the screened lanai and pool. There's also a pool bath so there's no tracking wet feet through the house! Lots of natural lighting, high ceilings throughout, impeccable craftsmanship.

A stunning example of Arthur Rutenberg at his best.
