

Choose Your Homesite

You have an opportunity to purchase a home in a very special gated community - Naples Heritage. It's U.S. Home's newest neighborhood. But, the opportunity belongs to those who act quickly. You see, we're being told that Naples Heritage is unique andwill be very popular.

Why? Our customers told us they wanted their homes in surroundings reminiscent of the country but close to the conveniences of everyday life. U.S. Home listened.

One of the nation's oldest and largest home builders, U.S. Home has been building in Southwest Florida for more than 35 years. Selected "1994 Builder of the Year" by *Professional Builder*, we hold strong positions in six of the top 10 housing markets in the country and we've built more than 245,000 homes for discerning customers. Naples Heritage, a gated community of only 799 homes, is set on a

550 acre preserve. Old cypress trees, pine trees, lakes, and lots of places to explore remind us of a quieter and more peaceful lifestyle. The only noise you'll hear is the wildlife which will share Naples Heritage with you. And, to keep the natural preserve atmosphere, only 196 of the 550 acres will be developed.
