

The plan of River Park Villas reveals a spacious, well designed arrangement for convenient living.

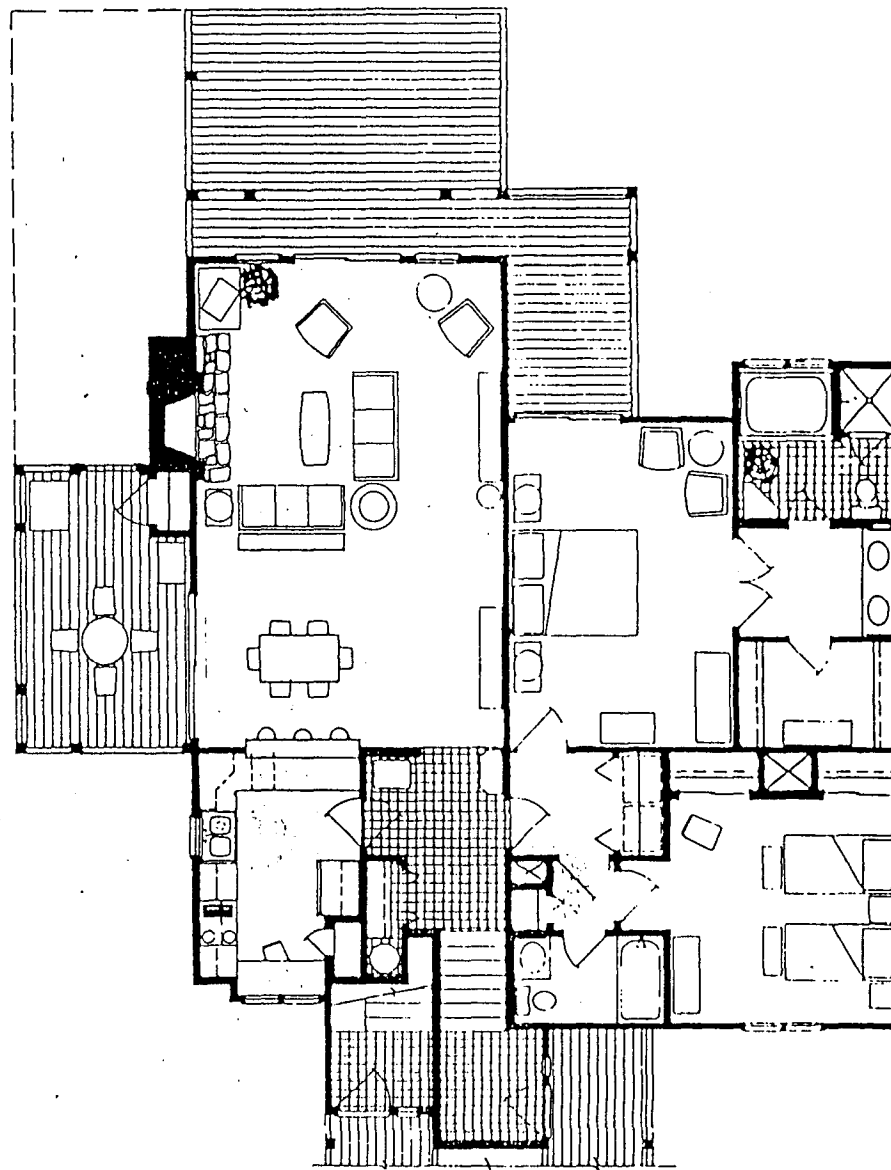

The generous living dining offers a native stone fireplace. Large sliding glass doors invite you to step out on the roomy deck areas. The unique covered, screened porch should be a social center as well as dining area in all weather.

The master bedroom suite features a large walk-in closet, his and her vanities, tile shower, and a luxurious whirlpool bath.

The well planned kitchen provides practically arranged cabinets and appliances and a functional desk type work space.

The second bedroom has generous closet space and private bath which also opens to the hallway.

This lovely home is truly for displaying the welcome mat, as it will create fond memories and years of happiness.
