

Plan B – Interior Unit

Upper Level

Main Level

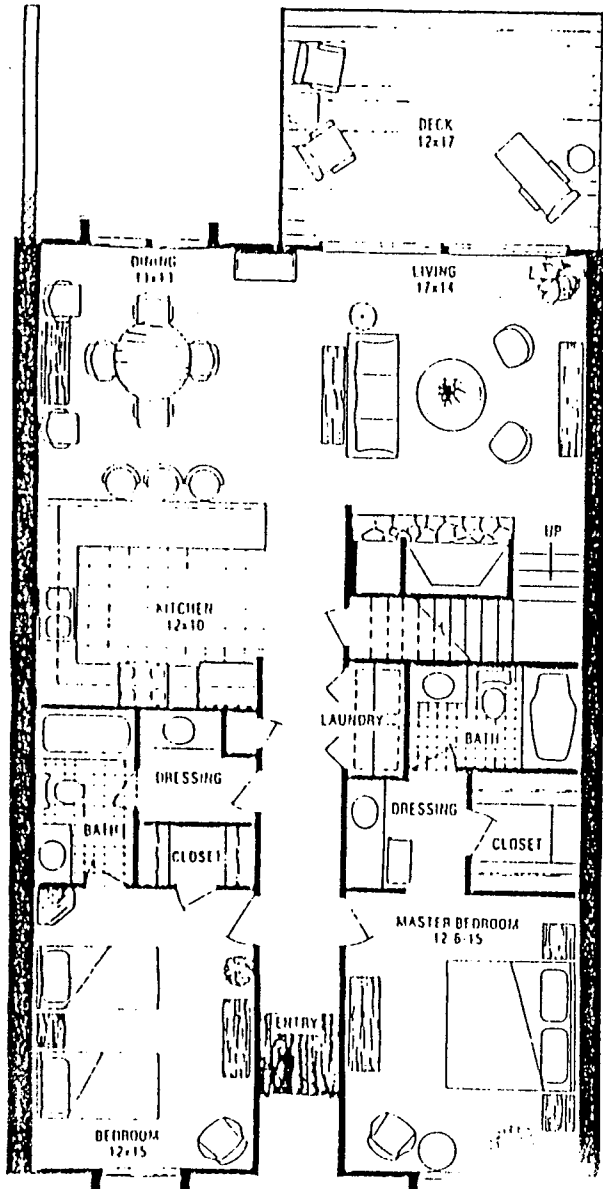

CONDOMINIUMS INCLUDE:

- Stone Fireplace
- Heat Pump and A/C
- Floor Covering
- Stove, Refrigerator, Dishwasher and Trash Compactor
- Wood Cabinets
- Wallpaper and Paint
- Cedar Siding and Shakes

OPTIONS:

- Third Bath
- Greenhouse

This plan offers a large living/dining room area, well separated from bedroom areas providing maximum privacy... also note the large professionally designed kitchen with spacious bar opening to generous dining area. Large sliding glass doors open to the deck area adjacent to the living room.

The master bedroom features large walk-in closet, two vanities and a dressing area.

The second bedroom on the Main Level features a spacious closet, tiled bath and private dressing area plus two easy entrances.

The loft/studio on the Upper Level features a sitting area, large walk-in closet and a private third bath as an option.

| | |
|--------------|---------------------|
| Main Floor | 1373 sq. ft. |
| Loft/Studio | 476 |
| Total Heated | <u>1849 sq. ft.</u> |
| Deck | <u>204</u> |
| Total | 2053 sq. ft. |

This well-planned home is truly for displaying the welcome mat, as it will create fond memories and years of happiness.
