

Residence Two

Enclosed area: 2220 sq. ft.
 Balcony area: 370 sq. ft.
 Total area: 2590 sq. ft.

Three bedrooms and three full baths are just the beginning in this spaciouly elegant home, where every room offers a seemingly endless Gulf view. Featuring two large picture windows, the expansive triangular living/dining area opens onto one balcony, while a second balcony is just a step away from the separate breakfast area with its distinctive built-in desk. The spacious master bedroom suite also includes a large walk-in closet and a double bowl vanity area, and the third bedroom can be converted to a den if desired.
