

WELCOME TO THE

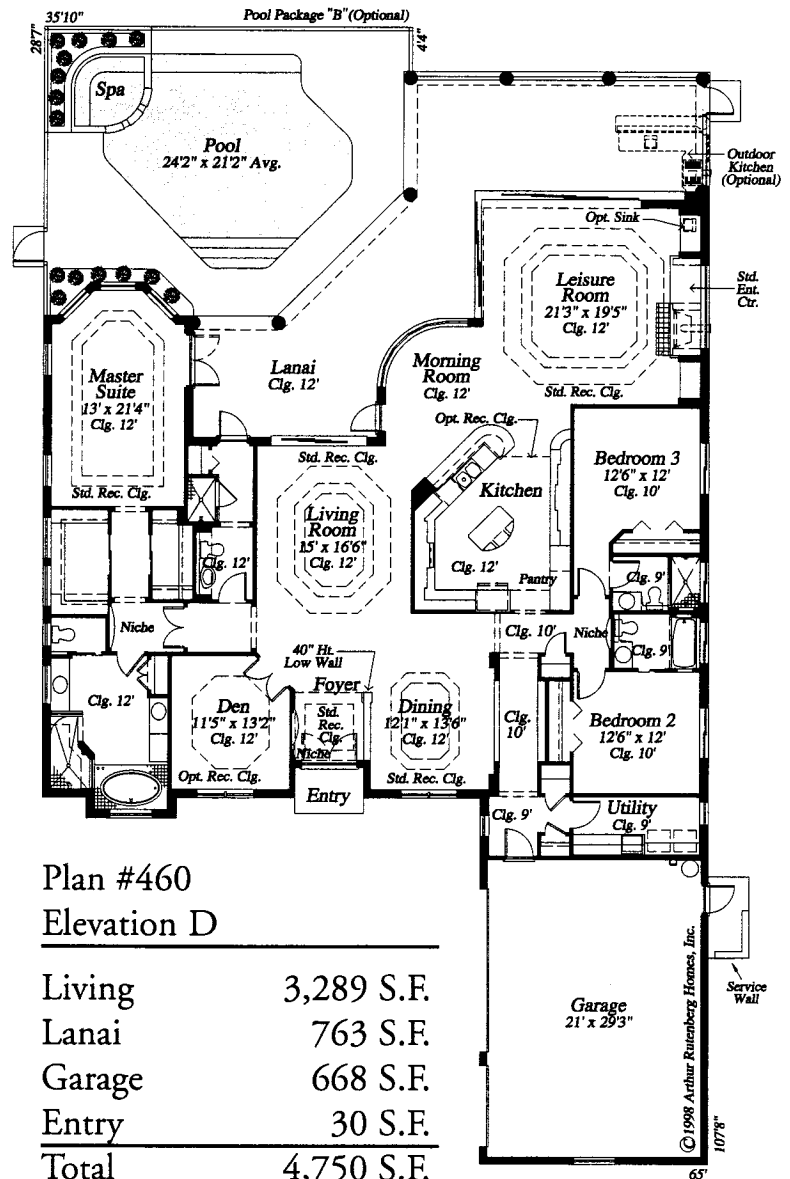

St. Lucia

3 Bedrooms, 4 Baths, Den, 3-car Garage

Dramatic use of glass and high ceilings are the hallmarks of this design, giving it a spacious, airy feeling. A curved "seamless" glass window wall and cornerless pocketed sliding glass doors bring the outdoors in, making the lanai and optional pool an integral part of the home.

Starting price:
\$455,100 + homesite

Plan #460
Elevation D
