

San Tiza X

Sanibel

Grey Oaks

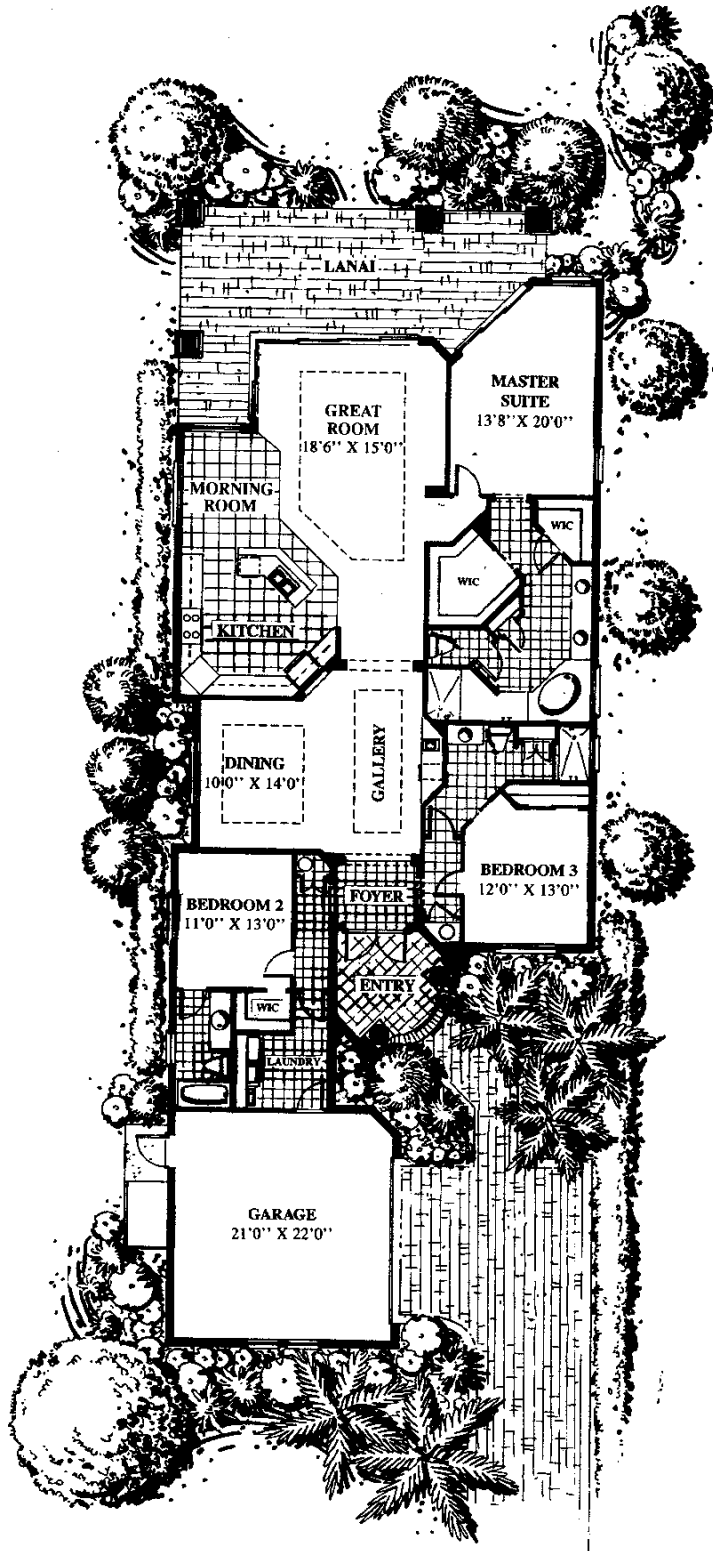

SANIBEL

Interior Features

- Three-bedroom, three-bath detached villa.
- Spectacular golf course and lake views.
- Stylish arches and 12-foot coffered ceilings throughout.
- A formal, elevated arched entry with stone columns leads to the dramatic entrance foyer where the coffered ceiling provides the perfect setting for your hanging chandelier.
- The expansive central gallery features a reception area of Italian ceramic tile with stone inlays. A coffered ceiling frames the area that includes a built-in cocktail bar with custom cabinetry and wine cooler.
- Adjacent to gallery is the formal dining area with coffered ceiling and eight-foot arched window allowing views of the lighted landscape area.
- The well-equipped kitchen has designer appliances and furniture-grade maple cabinetry with Corian countertops. Under-cabinet lighting highlights the working areas. A free-standing island provides a convenient working surface and a small breakfast bar area.
- The cozy morning room is perfect for informal meals.
- The expansive gathering room is designed to accommodate an optional built-in entertainment area. Dramatic retracting walls of glass expand the space to the screened brick lanai or optional pool area.
- The spacious master suite has a private alcove entry and a cozy reading area with access to the lanai through sliding glass doors.
- Large his and hers walk-in closets make for convenient living.
- The master bathroom has cultured marble countertops, hand-glazed custom cabinetry, Roman tub, expansive walk-in shower and a separate commode room.
- Both guest bedrooms feature full bathrooms, one with tub and shower and the other with a tiled walk-in shower.
- The separate utility room has fully built-in cabinets and features top-of-the-line appliances.
- Solid vinyl windows have state-of-the-art engineering providing the ability to withstand 160 mph wind loads.
- The large two-car garage has a golf cart storage area.
- Two-zone air conditioning system has a flexible zone feature for interior comfort.
- A 66-gallon hot water heater is standard.

Exterior Features

- Lush tropical landscaping with brick paver driveway, lanai and entrance.
- Keystone architectural detailing.
- Expandable perimeter security system provides 24-hour on-site monitoring.
