

The Cayman

Jim Anderson of Anderson Homes is one of Naples' premiere luxury home builders. They are developing the single-family neighborhood in Lely Resort called Biscayne. Biscayne at Lely Flamingo will feature 41 homesites and boasts some of the most impressive golf course views in all of Lely Resort. Between the lakes, tall pines and beautifully manicured fairways, is a perfect setting for a single-family home.

Anderson Homes has developed five new, one- and two-story floor plans for its Biscayne neighborhood. The Cayman is a three-bedroom, three-bath home with 2,250 square feet under air. Anderson is building the Cayman floor plan as a furnished model. Lely Realty, Inc. has named exclusive marketing agent for Biscayne at Lely Flamingo.
