

The Tiger Lily

Construction Professionals of South Florida's newest model home offers 2,980 sq.ft. of living area with a scenic view of a beautiful natural lake. As a breathtaking four-bedroom/three-bath design, the "Tiger Lily" model represents one of the finer models in a line of versatile homes offered by Construction Professionals of South Florida.

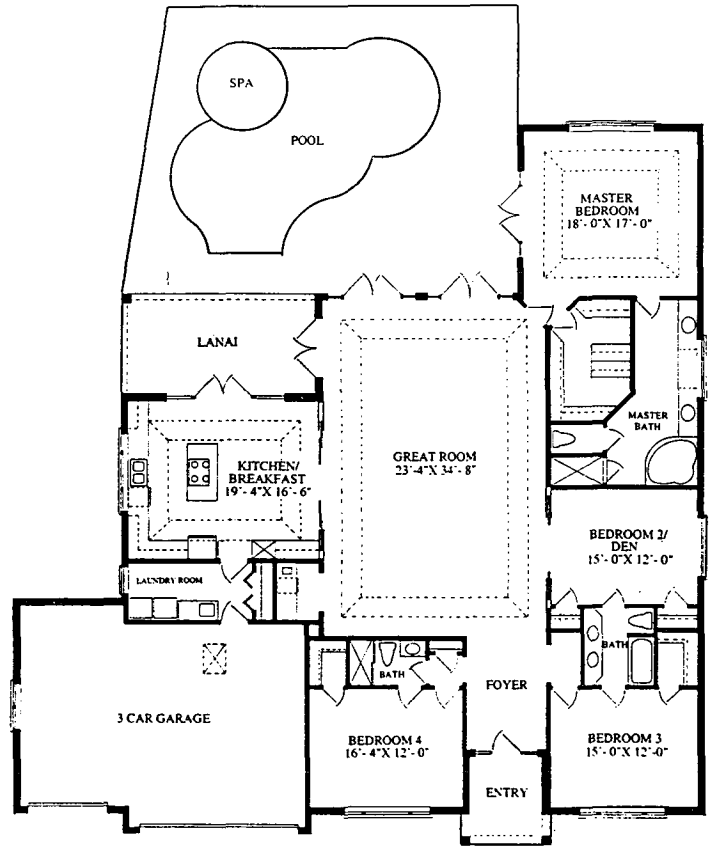

High quality Corian counter tops accent the beauty of the kitchen. Limestone floors in the great room, kitchen, laundry and guest bathroom all reinforce Construction Professionals of South Florida's commitment to excellence. Six panel, solid core, white pine, 8' tall colonial doors enhance the home's interior. The home's classic appearance is accented by 8' tall solid wood 18-pane French doors leading to the pool area. A free form pool and spa surrounded by Bomanite decking inside a Mansard screened pool enclosure offer a splendid view of sunset beyond the natural lake.

Fred Sahapoglu, president of Construction Professionals of South Florida, has been remodeling and building new homes for over 29 years. Sahapoglu offers an impressive line of custom homes to be built on your lot with prices starting at \$109,900.
