Three Bedroom / Two Bath Villas

Spacious, elegant and *very* comfortable, our three bedroom villas at Fieldstone Village represent an extraordinary value in luxury condominium living.

Virtually *every* amenity and convenience (including no outside maintenance) has been included in these beautiful first and second floor residences.

Master suite (with its own bath & dressing area), open living & dining room areas featuring vaulted or high ceilings, second bath and vanity, fully-appointed kitchen & adjoining breakfast room, separate laundry room, covered lanai and many other quality design "touches."

What's more, both first floor (1638 sq. ft.) and second floor (1719 sq. ft.) models allow you the option of a leisure room instead of a third bedroom.
